# FREE WEBINAR ANIMAL-ASSISTED SERVICES IN HOSPITAL SETTINGS

The growing role of Animal-Assisted Services (AAS), continues to make a profound impact within hospital environments in promoting health and healing.

Join **IAHAIO President Stephanie Perkins, Director of Animal Therapy at Tallahassee Memorial HealthCare (TMH)** and **Francesc Ristol, Director of Centro de Terapias Asistidas con Canes (CTAC)**, as they delve into the practical implementation, benefits and considerations of incorporating animals into healthcare settings to support patient well-being and recovery.

This exciting hour and a half will illustrate how AAS can enhance patient experience, reduce stress and contribute to a more holistic approach to patient care.
